The diagram consists of a 5x5 grid with a black dot at the intersection of the 4th row and 4th column. Above the grid is the letter 'G'. To the right of the grid is a sequence of numbers 29, 30, 31, 32, and 33. Below each number is a symbol: a double slash for 29, 30, 31, and 32, and a vertical line for 33.
